「あいつの手紙」

letter from that guy

are you
really
a teacher
?

sen-
sei

D...DID
I GET
FOUND
OUT
!?

ho
ho
ho

ho

note: 15 to 20cm = 6 to 8in

then...
he started
getting
revenge
on the ones
who bullied
him

oh
.....

in
reality
he isn't
strong
at all

basically
in
here

but in
the end
he
hasn't
changed
at all

that's why
he's always
carrying
around
gasoline
and tonfas
and stuff
like that

scared
you know
of getting
into a
similar
position
as before

I bet
he's
relieved
right
now

!

I see

for
being
able to be
near the
person

who saved
him with
their life
on the
line

.....

Shouka,
you're
too
good-
natured

it wasn't
that life-
threatening
in
actualty

you
think so?
she saved
that
Getsuto-
kun with
her life

Fuku-
shima
sensei is
kinda
amazing

there's
definitely
something
she's
hiding

i'm
not
so
sure

those
things in
the stories
are all tasks
that can be
accomplished
by her without
having to
risk a life

she's
already a
master
of budo, far
from being a
normal
human

everyone
exaggerates
the stories
too much

...
Akira

obviously
trans-
parent
faker

but they're
beautifying
the stories to
make us
students listen

but
recently
I've been
thinking

what
?

I don't
believe
in adults
either

and as
you know,
my parents
and I don't
really get
along

as long
as you
don't
believe
in them
you won't
get
betrayed

.....
you should
stop it,
Shouko

I want
to try
believing
an adult
.....

we all
feel
anxious

really
we're
troubled

can't
you think
about your
neighbors
even a bit?

you
might
be
right

but
Akira

right

we'll all
try to
campaign
for moving
money,
so...

right
?

there is,
isn't there?
like, some-
place that
fits you
people more

we
won't
have
any
place
to live
if we
get
kicked
out of
here

yes yes
it doesn't
have to be
in Japan

oh...
i'm sorry
i didn't
mean it
like that, but
you know...
right?

right
!

KYAA~~~~~!!!!

cough
cough

tomorrow
you will be
conducting
home visits
in addition
to collecting
money for
Sadogashima
fieldtrip

I gave
you all
handouts,
didn't I?

everyone
gets
nervous

huh?
?

never
come
back to
school
after a
home
visit

every
year
there are
teachers
who
become
missing
and

well I'm
sure you
won't
have
any
problems,
but

eh
?

there
are
many
types
of
people
in our
school's
parent
groups
.....
hahaha

people who
are in violence
groups, cult
religion executive
leaders, families
who receive
public welfare
.....

what
in the
world
!??

to go
missing
during a
home
visit

.....

drop
